INSTRUCTIONS

INDIVIDUALS – Order the Achievement Badges you wish to earn by completing the above Order Form and returning it, along with the required fee, to the address shown. You will receive a Badge requirement Data Sheet for each badge you order. When you complete the requirements for a badge, return the requested materials to ASIYP and your Achievement Badge will be sent to you by return mail.

ASHAYC's, 4-H CLUBS, RIDING CLUBS & OTHER BONAFIDE GROUPS WITH AN ADULT LEADER may order the Achievement Badges you want for your club by completing the above order form and returning it, along with the required fee, to the address shown. You will receive the number of Badge requirement Data Sheets you ordered PLUS the badges. As the club's counselor, you may determine when each of your members has satisfactorily completed the requirements for a badge. It is not necessary for you to return the completed answer sheets to ASIYP. **PLEASE NOTE** that ASIYP offers a "Letter" program (similar to an athletic letter). Part of the requirement to earn this Letter is to complete a certain number of Achievement Badges.

YOUTH CLUB LEADERS – INSTRUCTORS

Club leaders MUST return the name, address and birth date of each member who earns a badge, along with the name of the badge and the date the requirements were completed in order for the badge to count toward earning the ASIYP LETTER and the ASHA YOUTH AWARD. The easiest way to accomplish this is to have each person complete the name and address portion of the Badge Requirement sheet and return these sheets to ASIYP in one envelope.
