## BADGE ORDERING INSTRUCTIONS

INDIVIDUALS – Download the requirement sheets for the Badge(s) you want to earn. When you complete the requirements for a badge send them to ASIYP, along with this order form. Your papers will be graded and your Achievement Badge(s) will be sent to you by return mail. We suggest you make a copy of your completed papers before you mail them.

ASHAYC's, 4-H CLUBS, RIDING CLUBS & OTHER BONAFIDE GROUPS WITH AN ADULT LEADER may order the Achievement badges you want for your club by completing the above order form and returning it, along with the required fee, to the address shown. Your Badges will be sent to you. Download the Badge requirement Data Sheets you need. As the club's counselor, you may determine when each of your members has satisfactorily completed the requirements for a badge.

## YOUTH CLUB LEADERS – INSTRUCTORS

We strongly urge Club leaders to download and return the Badge Completion Report listing each member who earns a badge. We must have this information in order for the badge to count toward earning the ASIYP LETTER, the ASHA YOUTH AWARD or potential awards from other associations.

Club leaders may also order quantities of any of the Educational Levels, but your members or students must return the answer sheets to ASIYP for grading and they must complete the Levels in numerical order.

## ORDERING EDUCATIONAL LEVELS

All new enrollees must begin with Level I. Upon placing your order you will receive your Level I materials in about two weeks.

When you complete your Level I requirements send them to ASIYP for grading. When grading is complete we will return your test pages along with a certificate, an embroidered chevron and forms for ordering Level II.

Complete the three ASIYP Educational Levels, special requirements and the required Badges and receive the embroidered chenille ASIYP "Letter" signifying your effort and achievements!
